SCHOLARSHIP and Creative Arts Days

APRIL 20 - 21

Elizabethtown College students reach success through our 21st century curricula combining high-quality professional programs, real-world experiences involving hands-on opportunities to conduct academics and research, and a 120+ year learning tradition of thinking critically, analyzing deeply, and communicating effectively.

Our annual Scholarship and Creative Arts Day (SCAD) is a forum for our students to present their academic research in their respective disciplines, while others showcase talents through recitals and a juried art exhibit. The scholarly work and presentations would not be possible without our faculty mentors who dedicate their time and expertise to helping our students succeed.

With the excellent education and training, our students go out into the world and make an impact. Our annual SCAD demonstrates our College's commitment to fostering those impacts being made and to the importance of scholarly research.

Pre-recorded Performances

Presentation Format Information

In an effort to retain Scholarship and Creative Arts Days, we adjusted our format of presentations. The presentations (Monday night and Tuesday) will be shared in a variety of ways (hosted live, a combination of pre-recorded videos and Q&A sessions, pre-recorded videos and display of supporting materials). All materials and videos submitted by the deadline will be linked to this program next to the corresponding presentation. If you encounter a presentation without links, just join the Zoom meeting and enjoy the session.

JAYSCHOLAR @ ETOWN

Jayscholar is Etown's online, open-access showcase of the college community's scholarly and creative works. The High Library is now collecting many types of materials for inclusion in JayScholar, from theses and capstone projects to SCAD and SCARP presentations, student art, faculty scholarship and more.

[Explore Jayscholar](#)

Why should you add your SCAD project to JayScholar?

The ability to link to your work in your resume, e-portfolio, or application for graduate school.

The visibility of your work in google, google scholar, and other search engines.

The addition of your thoughts and findings to the scholarly conversation in your field.

Anna Carper Excellence in Library Research Award

2019-2020

Congratulations to this year's winner!

Megan Keenan

She won for her first-year seminar paper, "Survivors' Hardships Following the Atomic Bombing of Nagasaki", which she wrote for Dr. Newsome's World War II course.

Special thanks to this year's judges:

Joshua Cohen

Instruction and Outreach Librarian

Clarissa Grunwald

Circulation Assistant

Erica Dolson

Lecturer in English

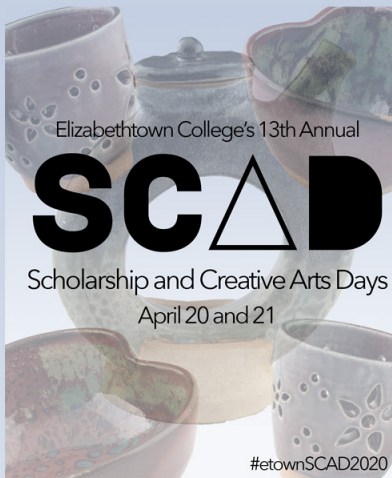

Elizabeth Dalton

Assistant Professor of Psychology

Jean Batista Abreu

Assistant Professor of Engineering

In 2009, the High Library, in honor of its 20th anniversary, inaugurated the Anna Carper Excellence in Library Research Award. The purpose of the program is to reward excellent scholarship by students enrolled in the First-Year Seminars who make valuable use of the print and electronic collections of the High Library as well as other available information resources. The Anna Carper Excellence in Library Research Award is supported by an endowment funded by the Carper Family and named after Anna M. Carper '41, Librarian of the College from 1960 to 1986.

Front Cover and Program Design:

Megan White is a senior Professional Writing and Graphic Design double major with a minor in Creative Writing. She works as a student assistant in the Digital Humanities Hub and for Scholarship and Creative Arts Days. Upon her graduation, she hopes to move to New York City and work as a book publisher.

Front Cover Art:

Natalie Mischlich is a junior studying Art Education at Elizabethtown College. She works primarily with clay to create ceramic pieces. She discovered her love for ceramics after transferring to Etown, and as a result, her degree concentration is now in Ceramics. After graduation, she intends to teach art to high school students.
